Please note that each structure will be finished in a circular shape. Please note that the left and right printed edges will meet up once finished.
We cannot guarantee alignment of any elements across these edges.

We recommend that the inside printed graphic be created as either a solid color or pattern for better finishing.

Please be sure to include the 5" bleed around the perimeter to compensate for the finishing of the graphics. Do not design any critical elements (text, logos, etc.) within 1" of the edge (see dotted lines).

General Artwork Guidelines
