

## Product Parts

- 1 - Soft Case
- 2 - Fabric Display
- 3 - Stakes

## Banner Install

### Step 1

Begin by removing the Fabric Display (2) from the Soft Case (1). **NOTE:** Hold tight to the Fabric Display edge as it has spring tension hardware within the black pole pockets.

### Step 2

Carefully pull open the Fabric Display. **NOTE:** The spring tension hardware will snap open unexpectedly if you let go too soon.

### Step 3

Position Fabric Display (2) in place and secure the Hook and Loop webbing straps in place on each end.

### Step 4

OPTION: Secure Twist-Up A-Frame with Stakes (3) inserted through webbing located on inside of framework.

## Banner Tear Down

### Step 5

**NOTE:** (Before beginning make sure you have your Soft Carry Case unzipped and nearby.) Undo Hook and Loop webbing straps on each end and fold toward the inside of the Fabric Display.

### Step 6

Holding onto each side of the Fabric Display (2) grip the entire unit and twist down. Do not let go of the display as you proceed to Step 7

## Banner Tear Down Continued...

### Step 7

As you twist down in Step 6 push down the entire unit.

### Step 8

Push unit flat and grab the other end to create a flat circle.

While still holding onto collapsed unit, put Fabric Display (2) into Soft Carry Case (1).

## Storage

Place all product parts into Carry Case and store in a cool dry location.

## Care

To clean, wipe with damp cloth.
