Lighting

Lights can be attached directly to the top of the frame using a L10 T50 CLIP

L10 T50 CLIP

Graphic Header

TC-50

Shelf Support

Side counter supports should be attached to side of main frame so that top of support is 39" from ground. Then attach counter top to support with thumb screws.

WC-R, not shown, attaches to right side of frame.

Literature Holder

Clamp side mount literature holder to side of main structure.

WLH-L, not shown, attaches to left side of frame.

formulate VC6

Accessories

Accessories should be installed after fabric structure is assembled and fabric is put on frame. If using header, install header first.

The Linear Family

kits • custom • a la carte • accessories • monitor mounts • literature racks • tables • counters • canopies

Linear Tabletop:
-hybrid modular display system
-quick set up
-stylish wing design options

Linear:
-hybrid modular display system
-10' and 20' booths
-various table, header, and wing options

Linear Pro:
-hybrid modular display system
-specially designed canopies
-v-leg tables with graphic or plex options

Linear Fusion:
-hybrid modular display system
-full custom display
-design yourself or work with our expert team

Linear Bold:
-hybrid modular display system
-fabric or rollable graphic
-a variety of configurations and accessory options

see the origin catalog for the full range of linear products
